ABOUT MUSE MACHINE

VISION

Muse Machine is a place where imagination and inspiration meet teaching and learning. We envision schools transformed by the arts—every young person beginning a fulfilling lifelong journey as an arts maker, learner, audience and patron—every teacher engaging deeply with outstanding artists, arts professionals and artistic work—every family creating vivid memories of shared arts experiences. Because of the connections between Muse Machine schools and Dayton’s rich artistic resources, we imagine a vibrant future for our arts organizations, artists and community.

MISSION

The mission of Muse Machine is to change the lives of young people through the arts.

WHO WE ARE

Muse is a nationally recognized arts organization annually serving 76,800 students and 600 teachers in 13 counties in southwest and central Ohio and northern Kentucky. From preschool through high school, Muse uses the arts as a means of creative and personal growth and to illuminate classroom curriculum. Students are engaged through artist residencies and performances in the schools, professional productions, a winter musical and summer concert, and other partnership activities. Teachers are supported through year-round professional development, which strengthens their understanding of the arts so that they might embody these experiences as outstanding instructors.

PROGRAMS AND SERVICES

Through Muse Machine's coordinated programming among Dayton's arts organizations, professional artists, and area schools and teachers, young people PreK through Grade 12 are encouraged to make the performing and visual arts a vital part of their lives and, in the process, develop their ongoing commitment to attending and supporting the arts.

BACKGROUND AND CONTEXT

Every day, we see how Muse contributes to the hundreds of unfolding human stories because of the efforts of the Muse community. Some days we are addressing urgent needs; other times, we are laying a foundation for the future. Our best work is done when we listen closely to the dreams and aspirations of our community as we create a future that inspires us.

As we shaped the *2018-2021 Strategic Plan: Setting the Stage for Sustainability*, we drew on information gathered through informal conversations and more formal evaluation processes from 2015 to the present, including:

- more than 1,200 evaluation surveys of our programs and special projects
- third-party, in-depth phone interviews with 80 organizational and program stakeholders
- third-party research efforts to study program outcomes, marketing strategies, and customer satisfaction
- testimonials from parents, teachers and students involved in the winter musical about their experiences auditioning, rehearsing and performing
- video interviews of program participants
- 60 school visits to introduce Muse programming and talk with teachers and principals in existing Muse schools
- continuous sharing of data analysis, reflection, and interpretation involving staff, board, and stakeholders

We also convened roundtable discussions to gain greater perspective on safety and security issues, teacher leadership roles, new teacher needs, and the ways in which our board can be strategic leaders for Muse.

We thank all members of the Muse community for generously sharing of their time and ideas to this plan, and we could not be more proud of their work.

STRATEGIC GOALS

“

I participated in the musicals through high-school and am proud to support a stellar organization. While my career has not taken me into the arts, the experience and skills gained from participating continue to enrich my life today.

”

ONE

Ensure that young people of all abilities and walks of life can participate in Muse Machine programming.

TWO

Position Muse Machine programs for educational impact, vibrancy and sustainability.

THREE

Create a strong foundation for a long-term talent management plan (including succession planning).

FOUR

Strengthen back-office capabilities (business forecasting, reporting, performance management, and dashboard and program analytics).

FIVE

Drive the growth of Muse Machine's unrestricted individual giving (to include MuseMaker annual campaign) 10% per annum—and ensure the development and maintenance of a robust pipeline of giving for the future.

A CLOSER LOOK

STRATEGIC GOALS AND THEIR OBJECTIVES

ONE

Ensure that young people of all abilities and walks of life can participate in Muse programming.

1. Ensure focused development efforts are in place to secure individual giving, business partnerships, grants and sponsorships for diverse artists, as well as schools and organizations that reach populations that are often under-represented in arts programming in the region.
2. Broaden Muse's program reach through vigorous outreach efforts to schools and organizations across Southwest and Central OH & Northern KY.
3. Strengthen commitment to programs that celebrate diversity and inclusion through relevant and accessible programming.

TWO

Position Muse Machine programs for educational impact, vibrancy and sustainability.

1. Drive educational excellence through the use of research, content knowledge, creative teaching practices, exceptional programming and professional staffing.
2. Strengthen the Secondary Schools Program (high and middle schools) to ensure vibrant and successful Muse clubs and programs.
3. Establish a new Educator Excellence Endowment Fund for the Advanced Teacher Training Seminar (ATTS).
4. Create long-term professional development for new and existing program artists working in the Preschool & Elementary Program to support new growth in programming and schools participating in the program.
5. Expand workshop offerings for middle and high school students through partnerships with arts organizations, area colleges and universities and the Dayton Metro Library.

THREE

Create a strong foundation for a long-term talent management plan.

1. Create, use and evaluate the new staff appraisal system based on HR best practices and Muse Machine's culture and needs.
2. Develop succession plans for executive director and all director-level positions (director of development, director of student programs, director of preschool and elementary program).
3. Outline knowledge transfer plans for director-level positions, including: job shadowing, video interviews, process documentation and, in some cases, filming program directors in action.

FOUR

Strengthen core back-office capabilities (business forecasting, reporting, performance management, and dashboard and program analytics).

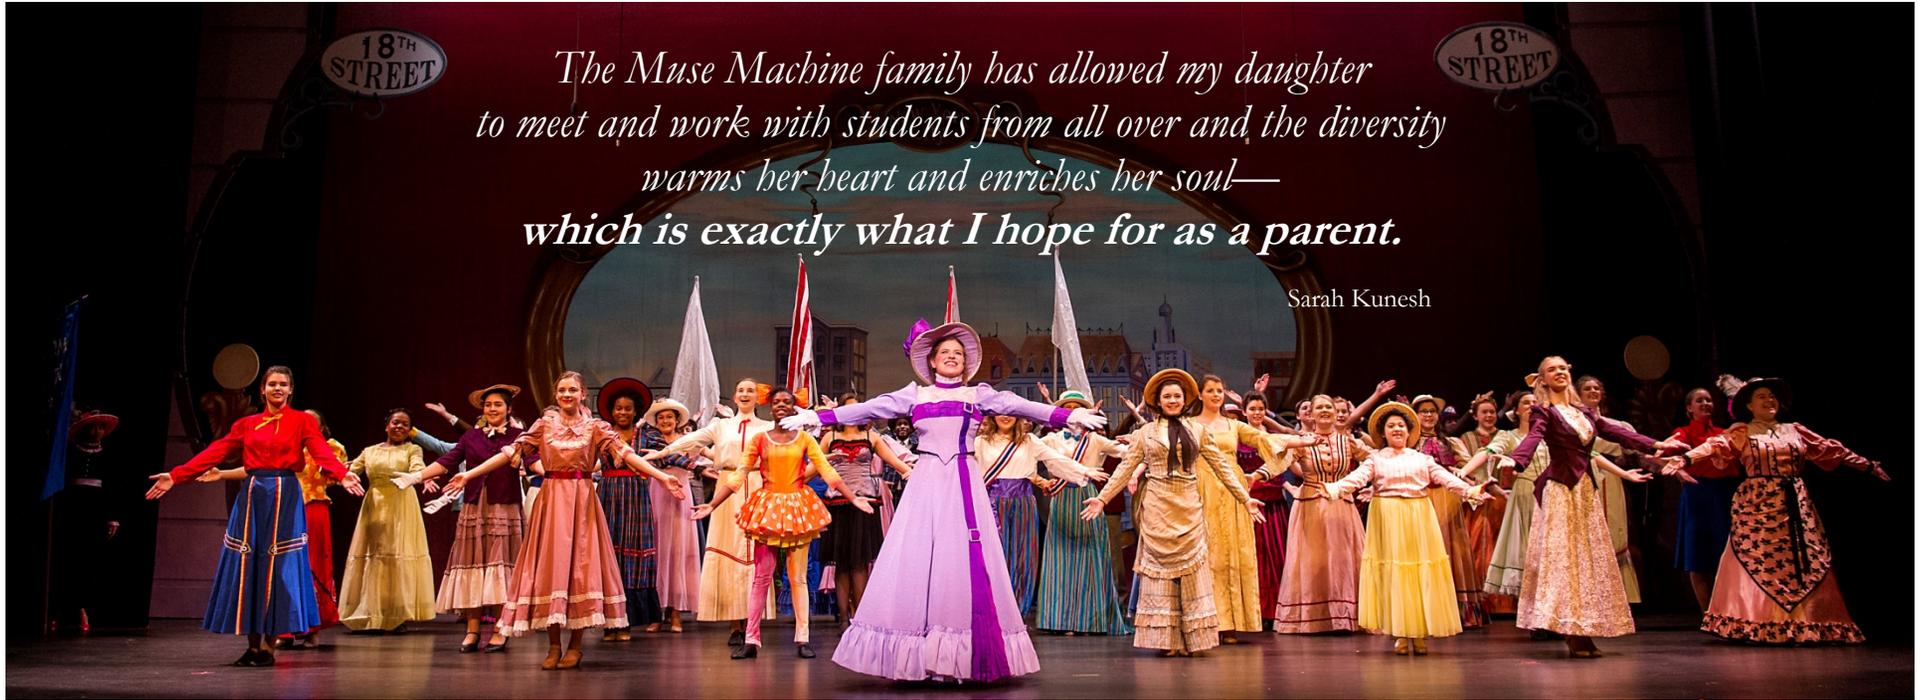

1. Continue data-cleansing efforts in development office and secondary schools program and standardize reports and reconciliation process with the finance office.
2. Develop a three-year plan to improve salaries for full-time and part-time employees.
3. Assess existing financial software against future data management needs and its interface with SalsaLabs in an effort to improve overall efficiency and effectiveness in tracking, monitoring and reporting.
4. Establish ad hoc committee to create a comprehensive Muse Machine operation manual.
5. Expand and update security policy and procedures to address active shooter preparations and additional child-safety procedures.

FIVE

Drive the growth of Muse Machine's unrestricted individual giving 10% per annum—and ensure the development and maintenance of a robust pipeline of giving for the future.

1. Achieve key financial goals—i.e., 10% per year increase in unrestricted individual giving; maintain consistent grant revenues and grow sponsorships with a strong focus on securing increased support for winter musical.
2. Raise \$20K-\$25K new dollars annually for student performances (winter musical and summer concert) through sponsorships and/or major gifts for 2020 and 2021.
3. Increase individual reach and engagement through traditional and social media campaigns; strategic segmentation of appeals; and attention to and involvement of alumni and other key stakeholder groups.
4. Examine the quality and effectiveness of Muse's donor relations and stewardship activities/policies that foster long-term engagement/investment—such as planned giving, donor recognition, donor profiles, recognition and engagement events/opportunities, etc.
5. Assess and enhance digital and other marketing strategies, tactics, tools and practices.

Muse Machine
Strategic Plan 2018-2021
Setting the Stage for Sustainability
Priority-Setting Handout

July 1, 2018 – June 30, 2021

Strategic GOAL ONE

Ensure that young people of all abilities and walks of life can participate in Muse Machine programming.

Objective #1

Focus development efforts on ensuring expanded individual giving, business partnerships, grants and sponsorships for schools organizations that serve diverse populations and are often under-represented in local arts programming in the region. (2018-2021)

Tactic #1 - Maintain (and increase) current level of funding from individual giving, grants and sponsorships, especially those that fund Title One schools. (Best Practice Standards: Grants and sponsorships are considered ‘soft’ money, thus, an organization should not exceed 25% to 35% of their budget from these sources. Muse is at approximately 34%. Individual giving in similarly sized arts organizations is 24% of the overall budget; Muse’s individual giving is at 12% of its budget.)

Action	Responsible Party(ies)	Metric(s)	Timing
<ul style="list-style-type: none"> Maintain strong focus on the Circle of Friends Initiative to ensure success and to better understand the viability of this methodology to Muse’s long-term fundraising efforts. 	Director of development and secondary schools program manager	Four Dayton middle schools successfully meet annual metrics, as detailed in their partnership agreements.	2018-2021 (underway)

<ul style="list-style-type: none"> Identify and meet with individuals living and businesses located in neighborhoods where Title One schools (i.e., 40 to 100% students are eligible for free and reduced lunches) that might be interested in supporting Muse programming in a neighborhood school. 	ED, director of development, program directors/program manager and local Title One schools.	Meet with five to 12 regular and prospective funders annually in support of Muse programs: preschool & elementary, and secondary schools programs.	2018-2021 (underway) We are currently talking with Xenia and Springfield funders for the 2019-20 program year. We will lose Tecumseh if we cannot secure some funding for them.
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Tactic #2 – Research funding opportunities (grants or sponsorships) that support a diverse range of artists and vigorous outreach efforts to under-represented populations.

Action	Responsible Party	Metric	Timing
<ul style="list-style-type: none"> Talk with the Dayton Foundation about targeted program funding that features diverse artists, serves diverse school populations and promotes world cultures. 	ED and director of development	Research with the Dayton Foundation is complete.	2018-2019 We met with DF staff and there really is no funding option for us. They Allegro Fund would work but timing was off for this program year.
<ul style="list-style-type: none"> Update Muse’s School Recruitment Plan to better reflect priorities in Muse’s Diversity and Inclusion Policy by setting annual targets for diverse schools and students. 	ED and directors/program managers of student programming, preschool & elementary, and secondary school programs	Increase the number of schools that serve students from diverse world cultures. (Need to set baseline.)	2018-2021 (underway)

<ul style="list-style-type: none"> Ensure Muse’s 2018-2021 Strategic Plan has strong metrics that align with Muse’s Diversity and Inclusion Policy, such as metrics for the BoT, staffing, contractors, schools, students, etc. 	<p>Board of trustees, ED and all staff</p>	<p>Set annual targets for the new plan.</p>	<p>2018 2019-20 We secured four grants for “Feet Speak” and are bringing two diverse artists for the Muse opener and workshops for teachers and students. 2020-21 — We are seeking funding again for our opener, “Tangled Up in You.”</p>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------	---------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Organizational Capacity Plan

- What changes will the organization need to accomplish—including changes or additions to staff, additional fundraising, or other items—to fulfill its priorities?
 - We need an active BOT to help us increase individual giving and identify new business support.
 - Now that we have a strong development committee in place, we need to fully engage all its members in order to strengthen our fundraising efforts related to Goal One.
- What additional support will the organization need to achieve its goals? Should it engage consultants, outside volunteer experts/advisors, or take other steps?
 - We need to engage appropriate volunteers in researching a broader range of funding opportunities.
 - We need to engage more volunteers in our annual school recruitment efforts. A few years ago, we made 103 visits to schools and increased our school numbers by almost 25%. But, now our numbers are slipping and it is due in part by not making regular visits.

Strategic GOAL ONE

Ensure that young people of all abilities and walks of life can participate in Muse Machine programming.

Objective #2
 Broaden Muse’s program reach through vigorous outreach efforts to potential schools and organizations across Southwest and Central Ohio and Northern Kentucky. (2018-2021)

Tactic #1 – Increase participation in Muse’s Secondary and Preschool & Elementary Schools Program by 12% over the life of Muse’s 2018-2021 Strategic Plan (with a focus on communities that are in a one-hour driving radius around Dayton).

Action	Responsible Party(ies)	Metric(s)	Timing
<ul style="list-style-type: none"> • Focus Muse’s Secondary (middle & high) Schools recruitment efforts by setting meaningful annual targets for bringing Muse programming to all types of schools (urban, rural and suburban) across Muse’s 12-county service area. • Use Muse’s strategic protocol for school recruitment: <ul style="list-style-type: none"> ○ Expand Muse’s presence in school districts that currently have Muse programs. ○ Expand Muse’s presence in rural/local school districts that are in neighboring counties/districts to current Muse schools/districts. ○ Contact schools serving a high percentage of students with special needs to discuss educational goals and possible funding opportunities. 	ED, secondary schools program manager, scheduler, school recruitment consultant and secondary school teacher leadership committee	By 2021, Muse will be working with 70 secondary (middle and high) schools. **Muse Machine
Strategic Plan 2018-2021
Setting the Stage for Sustainability
Priority-Setting Handout**

July 1, 2018 – June 30, 2021

Strategic GOAL TWO

Position Muse Machine programs for educational impact, vibrancy and sustainability.

Objective #1
 Drive educational excellence through the use of research, content knowledge, creative teaching practices, exceptional programming and professional staffing. (2018-2021)

Tactic #1 – Continue to use and create professional resources that document the primary research that informs each program. (These resources will allow board of trustees and staff to fully understand the attributes of high-quality arts education programs and position all programs for educational impact and sustainability.)

Action	Responsible Party(ies)	Metric(s)	Timing
<ul style="list-style-type: none"> Develop logic models and theories of change for all program areas (secondary, preschool and elementary, student programs and teacher professional development). ED and program directors	Include relevant information in ED reports, grants, Mission Moments at board meetings, etc.	2018-2021 (Ongoing)
<ul style="list-style-type: none"> Consult with professional evaluators to ensure evaluation practices are sound and executed with fidelity. 	ED and contract evaluators	Summer institute full evaluation every other year with the help of an outside evaluator. (Some state and federal grants require third-party evaluator involvement.)	2018-2021 (Ongoing)
<ul style="list-style-type: none"> Partner with education organizations that could assist with more sophisticated (thus costly) evaluation efforts. 	ED, program directors and community partners	A group is secured for evaluation effort in one after-school program.	2019-2020 This is on hold, while other priority work is addressed.

Tactic #2 – Infuse creative and experiential teaching practices into all Muse professional development activities.¹

Action	Responsible Party	Metric	Timing
<ul style="list-style-type: none"> Strengthen the modelling of creative and experiential teaching practices through all of Muse’s professional development activities. 	ED, secondary school program manager, scheduler, curriculum specialist and outside experts	<ul style="list-style-type: none"> Annually track the number of sessions on this topic across all professional development programs. Check lesson plans to see if 	2018-2021 Completed Muse overview to be used with artists. Face-to-face

¹ Creative teaching focuses on both the methods a teacher uses to deliver learning and the overall effect those methods have on students and the outcomes produced. A teacher inspires learners’ interests in learning material, and then leads student to find the problem by themselves creatively, or present specific problems and ask learners to apply all sorts of available resources to find the best solution creatively.

		<p>they reflect creative and experiential teaching approaches.</p> <ul style="list-style-type: none"> Document progress through filming in teachers' classrooms. 	<p>meetings are on hold because of the pandemic.</p> <p>Overview is available. Have been using with artists and others.</p>

ED, Muse board of trustees, governance committee, emeritus board members	List of candidates is created for the governance committee.	<p>2019</p> <p>Need to select board member for the 2020 class of the BoT.</p>
<ul style="list-style-type: none"> Identify Muse teachers using creative and experiential teaching approaches in their classrooms to profile and to lead sessions at Club Advisor Meetings. 	ED, secondary schools program manager and Muse contractor/curriculum specialist	One session annual at Club Advisor Meetings	<p>2019-2021</p> <p>This is underway—we are interviewing teachers for our experiential learning document. And, many teachers were interviewed for the SI 2019 evaluation report.</p>
<ul style="list-style-type: none"> Conceptualize and write a chapter on creative and experiential teaching approaches for the Club Advisor Manual. 	ED, Muse curriculum specialist and outside experts	<ul style="list-style-type: none"> A chapter outline is created in mid-2020. Excerpts from draft chapter are field-tested with Muse teachers/advisors. Final written piece is added to Club Advisor Manual. 	<p>2020-2021</p> <p>Once overview is expanded, Muse staff will adapt portions for the manual in 2020.</p>

Tactic #3 – Work with outstanding professionals in the delivery of Muse’s year-round teacher professional development series (Annually approximately 350 secondary and preschool and elementary teachers accumulate approximately 3,000 hours of professional development).

Action	Responsible Party	Metric	Timing
<ul style="list-style-type: none"> Formalize Muse’s National Artistic Advisor Committee through writing charge statement, setting periodic times to meet, promoting their role within Muse publications, and identifying future projects. 	Muse founder, ED, board of trustee members, current members of the national committee	Metrics need to be determined but could be: <ul style="list-style-type: none"> Written charge statement Profiles of advisors A more formalized schedule of meetings 	2019-2020 Need to find a board member or friend of Muse who could help with this.
<ul style="list-style-type: none"> Ensure the Muse Summer Institute for Educators (SI) and the Advanced Teacher Training Seminar (ATTS) feature world-class artists, teaching artists, lecturers and feature guests that illuminate the diversity of arts forms, perspectives, cultures and points of view. Strategic GOAL TWO

Position Muse Machine programs for educational impact, vibrancy and sustainability.

Objective #2
Strengthen the Secondary Schools Program (high and middle schools) to ensure vibrant and successful Muse clubs and programs through: 1) offering teacher/advisor professional development on running successful Muse clubs; 2) building strong working relationships with teachers and administrators in Muse schools; and 3) using retired Muse teacher/advisors as volunteer mentors for new advisors.

Tactic #1 – Provide focused professional development for existing advisors and mentoring for new advisors to ensure their Muse clubs are successful and take advantage of a full range of Muse programming.

Strategic Plan 2018-2020
Priority-Setting Handout**

July 1, 2018 – June 30, 2021 – UPDATED May 8, 2020 for Strategic Planning Meeting via Zoom

Strategic Goal Five

DRIVE THE GROWTH OF MUSE MACHINE’S UNRESTRICTED INDIVIDUAL GIVING (TO INCLUDE MUSEMAKER ANNUAL CAMPAIGN) 10% PER ANNUM -- AND ENSURE THE DEVELOPMENT AND MAINTENANCE OF A ROBUST PIPELINE OF GIVING FOR THE FUTURE

Objective # 1

Achieve key financial goals—i.e., 10% per year increase in unrestricted individual giving; maintain consistent grants revenues and grow sponsorships; etc. to fund increasing musical expenses.

Tactic #1 – Increase unrestricted annual giving (including MuseMaker) 10% per annum.

Action	Responsible Party(ies)	Metric(s)	Timing
<ul style="list-style-type: none"> Identify new musical sponsors to help offset rising production costs. 	Dir of Devel, BoT, Devel Cmte and others	Secure new musical sponsors/year totaling minimum \$25,000. <ul style="list-style-type: none"> Secured \$7,900 as shown immediately right from 6 new sponsors. Added Social & Show event (Friday of musical weekend)—resulted in \$3,500 musical tickets revenue transferred. Total \$11.4K increase. 	Annually by October 1 (underway) 6 new sponsors for 2019 Musical (Dayton Rotary, Production Tube Cutting, Martha & Dale Shields, Pickrel Shaeffer Ebeling, Thompson Hine, Verso); Nippert prospect for 2021. Secured an add'l \$11K in sponsorships for 2020
<ul style="list-style-type: none"> Maintain grants/sponsorship funding. 	Internal Devel Team	Do not exceed 35% of budget (now @ 34%)	Underway – ongoing through 2021 and beyond At 33% as of 6/30/19. At ~33% as of 5/8/20

<ul style="list-style-type: none"> • Increase and retain unrestricted individual donor giving now at approx. 12%. *Capture new musical ticket buyers from Ticket Center Stage list, add to database, and market to them. *Call and/or mail LYBUNT/SYBUNT donors. *Make personal calls or send notes to each new fiscal year's donors (development committee did this for FY18 these numbered 57). 	Dir of Devel, BoT, Devel Cmte	Grow to 24% from approximately 12% (as of 12/18); target 45% retention rate per benchmarking standard.	<p>Quarterly/ongoing beginning Q3 FY19</p> <ul style="list-style-type: none"> • Unrestricted individual giving at 13% as of 6/30/19 • Of 57 new FY18 donors, 17 gave again in FY19 (Dev. Cmte. Members sent personal notes). • Plan a LYBUNT / SYBUNT survey and/or letter to be done Oct. 2019. • Have Devel Cmte or BoT Chair write personal note to new donors within 30 days of 1st gift • Include "New Donor" welcome materials w/ initial Muse TY letter (tbd) including "how to stay involved with Muse." • MuseMaker running 20+% ahead of FY19 to date
<ul style="list-style-type: none"> • Increase monthly donors toward increasing overall individual giving: *Make them 'select' with a special group name. *Sponsor a contest or promotion to generate more of them. *Customize their monthly thank-you letter. 	Internal Devel Team	Add 20 new monthly donors per fiscal year	<p>Establish 6/30/18 baseline and report 6/30 each year thereafter</p> <p>Currently have 3 monthly donors; targeting a campaign contest as part of Nov. MuseMaker to add more monthly donors.</p> <p>Have added an add'l 3-5 monthly donors since last update</p>
<ul style="list-style-type: none"> • Market annual musical memory books as a revenue generator @ \$40 to \$50 retail cost. 	Internal Devel Team	Field test w/ <i>Mamma Mia!</i> after the musical wraps; show <i>Hello, Dolly!</i> book to take orders; target 30 books	<p>Annually</p> <p>On hold for now due to transition of Devel Assc.</p> <p>In discussion of this with Doug Merk</p>

Objective # 2

Increase individual reach and engagement through traditional and social media campaigns; strategic segmentation of appeals; and attention to and involvement of alumni and other key stakeholder groups.

Tactic #1 – Grow and refine donor reach and database.

Action	Responsible Party(ies)	Metric(s)	Timing
<ul style="list-style-type: none"> Increase database contacts by 200 names each year (avg 10 per trustee, i.d. names from DBJ articles, staff each add 5-10, names from alumni and parents, and other sources (e.g., program booklets from other cultural/arts events)) 	BoT, parents, alumni, staff, media sources	Report from Devel Assc showing baseline and annual changes	Each year-end—June 30 <ul style="list-style-type: none"> Underway; BoT chair to ask trustees for names Sep. '19. Created an Excel list from one source, not yet deduped against Salsa--# of additions TBD. Awaiting add'l names
<ul style="list-style-type: none"> Continue to ensure all Muse members and parents are tracked, thanked, educated about Muse, encouraged to donate and involved/engaged. 	All staff / BoT	Track/report all activities related (annual TY cards to parents, educational sessions for parents at annual ticket buying session [see below], Muse Minutes, newsletters, and all other communication; track parent giving)	Report on this in a Section in annual report each year <ul style="list-style-type: none"> ED sent congratulatory cards to all Muse graduating H.S. seniors. Holiday TY cards w/ cast photo sent to all parents of Mamma Mia! cast/crew. Muse website has an alumni page encouraging them to complete linked survey/contact form to stay in touch. Ongoing activities

Tactic # 2 – Identify and cleanse data related to key stakeholder groups.

Action	Responsible Party(ies)	Metric(s)	Timing
<ul style="list-style-type: none"> Identify key stakeholder segments for future development efforts (alumni, parents, emeritus BoT, legacy group, corporate sponsors, etc.). 	Muse Devel Team & Devel Cmte	Create a manageable and meaningful list of segments	Most are identified; ensure clean data by May 31, 2019; report numbers annually at

			<p>year-end. As new Devel Assc continues to cleanse data, this effort is ongoing. Great improvements in this regard</p>
<ul style="list-style-type: none"> Analyze key stakeholder groups, numbers of each, giving patterns, average gift, frequency of gifts, etc. To be done with an eye toward customization/personalization of meaningful stories related to each and relationship-building. 	Devel Assc, Devel Cmte, ED	Meaningful and detailed reports related to each identified segment	<p>Ongoing through June 2019-2021 (set dates w/ Devel Assc)</p> <ul style="list-style-type: none"> MuseMaker direct mail pieces are analyzed for a number of factors, including ROI, avg. and median gifts, response rate, etc. New Devel Assc is clarifying coding ongoing. Devel Assc is creating a database process manual. Devel Assc continues to document processes; data much cleaner and in consistent formatting; developing segment scorecards/visuals
<ul style="list-style-type: none"> Experiment with and monitor various messaging and storytelling via multiple media (email, mail, social media, etc.) to specific stakeholder segments. 	Devel Assc, Devel Cmte, ED	Different segment each quarter	<p>July 2019-June 2020 (set dates for each group)</p> <ul style="list-style-type: none"> Messaging/storytelling has been done w/r to teachers for the endowment campaign via letter, MuseMinute, video. New donors (as noted previously) will get special first time TY packet. Repeat annual donors will receive a special TY w/ gift—e.g., I LOVE MUSE magnet. Monthly donors get special

			<p>customized letters.</p> <ul style="list-style-type: none"> • Met w/ Kunal and WSU mktg. students and gathered ideas
