

MUSE MACHINE IN-SCHOOL PERFORMANCE INTRODUCTION
HUMAN RACE THEATRE COMPANY

Welcome to today's Muse Machine performance!

Today we are joined by The Human Race Theatre Company and their new presentation, *Shuffle Off This Mortal Coil*. You'll learn a bit about Shakespeare today, but it'll be like eating your vegetables covered in nacho cheese - nothing too serious here! And don't forget, theatre is a full contact sport! So laugh when something's funny, cry when something's sad and support your classmates when they are brave enough to play along.

And now welcome The Human Race Theatre Company and *Shuffle Off This Mortal Coil*!
