

To Kill a Mockingbird Character Rant Brainstorm

***Directions: Complete the following brainstorm activity to help decide an issue or topic for your rant.**

1. **WHAT** issues or topics really bother you? ***Please choose at least FIVE issues/topics and give examples of each of the FIVE issues/topics.** What would you consider a “pet peeve”? (For example: Mrs. Lansdale’s pet peeve is when other people leave trash in my car! Ms. Kromalic’s pet peeve is when other people talk about themselves in a conversation instead of asking about you!) ***Other issues or subjects could be people who chew with their mouth open, people who are always late, nail biters, line jumping (like at Kings Island), or people who interrupt you while you are talking.**

2. **WHY** does this issue or topic bother you?

3. **WHY** does this issue or topic need to change?
