DAYTON CONTEMPORARY DANCE COMPANY
THE WRITER'S PEN

To be read by a teacher or student:

Welcome to Dayton Contemporary Dance Company's "The Writer's Pen" presented by DCDC2, the next generation of dancer artists. DCDC celebrates 56 years of a moving legacy rooted in the African American experience since 1968.

DCDC2 delivers expressive dance to reflect the modernization of Shakespeare's sonnets, Mozart remixed with hip-hop beats, and the combining of hip-hop elements and themes in theatre, spoken word, and dance. From the writer to the pen gives voice to our commentary on life.

Feel free to share a short video no longer than twenty seconds about the performance on your social media platform and don't forget to tag us on Instagram and Facebook.

Please join me in welcoming DCDC2 to our school!
